

## In Pursuit of Books at the Sarajevo Winter Book Fair

Linguistics Club members visited Sarajevo Winter Book Fair on Friday, December 21, 2018. As a great marker for the end of the year, the members treated themselves to some literary gems. The book fair offers a wide variety of choices, and features publishers from Bosnia and Herzegovina, Montenegro, Croatia and Serbia. It is an annual event held from December 13 to 24, 2018 in the city gallery Collegium Artisticum at Skenderija centre.
