

English Department students hosted in the EU Office in BiH

On April 24, a group of English Department's students led by Head of the Department Mr. Azamat Akbarov, were kindly hosted in the European Union building by Ms. Elisabet Tomasinec, Political Advisor, Mrs. Dženita Namgalija, Legal Officer and Mr. Saša Kulukčija, Intern.

The visit was held in an extremely relaxed and friendly atmosphere. For this occasion, hospitable hosts prepared a highly informative presentation entitled „**Stabilization and Association Process**“. The audience had a unique opportunity to learn more about some important EU membership issues, in detail.

It was a little surprising to find out where Bosnia and Herzegovina is standing at the moment when it comes to the application for EU membership, in comparison to the neighbor countries, and what is left to do in order to become an eligible candidate for the application.

In the question-answer section, the students were eager to learn more about some political issues in Bosnia and Herzegovina, and were more than satisfied with the thoroughly elaborated answers.

This amiable visit was officially concluded by Mr. Akbarov handing the gifts of appreciation and the invitations for the upcoming 2nd FLTAL international conference to the hosts.
